

# Curious about Moab's Dark Sky Initiative?

Stop by Moab City's  
table at the  
Moab Science  
Festival

When:

Wednesday, Sept. 18, 6 p.m.

Screening of the film "Skyglow"

Star Hall, 159 E. Center St.

and

Saturday, Sept. 21, 11 a.m.

Moab Science Fair

STEMonstrations kids' event

Sun Court (next door to Star Hall).

Moab Sustainability Director  
Rosemarie Russo  
will give away dark-sky  
compliant LED light bulbs  
and share information  
about the city's  
new Dark Sky ordinance.

**WIN PRIZES!**

Try your luck with the spin wheel,  
answer a question about dark skies  
and WIN!

For more information about the Dark Sky initiative  
and other city sustainability efforts contact
