

**MOAB  
DOWNTOWN  
PARKING STRUCTURE  
OPEN HOUSE**

The community is invited to an open house to provide input on the parking structure that is planned for West Center Street.

CITY OF

**MOAB**  
UTAH

**December 3<sup>rd</sup> 5-7 p.m.**  
**Moab City Council Chambers**  
**217 East Center Street**

*A formal presentation will begin at 5:30 p.m., followed by open discussion and an opportunity for the community to provide input into the design process.*

**Get Involved:**

- **Community input** on aesthetics and the features of the parking structure is **very important** to the design process.
- The structure will be built on the site of the existing city public parking lot on West Center Street between Main Street and 100 West.
- The parking structure is being paid for through funding from the Utah Transportation Commission.
- Construction of the parking structure is expected to begin in the fall of 2020.
- Another Open House meeting will be held in January to present artist renderings of the parking structure and gather additional input from the community.
