

FIRE DANGER IS REAL!

Celebrate July 4 & Pioneer Day Safely!

HELP PROTECT OUR COMMUNITY FROM FIRE DANGER.
Please leave the fireworks to the experts!

City of Moab Fireworks Restrictions

Personal fireworks are not allowed in these areas:

- Parkways, public trails & pedestrian paths in the City
- City parks and facilities
- Over or within 200 feet of Pack Creek or Mill Creek
- Within 20 feet of any residence, building, structure or combustible material

These are the most stringent local restrictions allowed under Utah law.

Violations are subject to a \$1,000 fine and possible jail time.

UTAH LAW BANS THESE PERSONAL FIREWORKS:

Explosives: Firecrackers, cannon crackers, ground salutes, M-80s, cherry bombs, and other similar explosives.

Aerial Devices: Skyrockets, missile-type rockets, single-shot or reloadable aerial shells or mortars, and any rocket-based devices, including bottle rockets and comets.

Large Pyrotechnic Devices: Mines or cakes containing more than 500 grams of pyrotechnic material (check packaging for details).

Other Fireworks: Roman candles, firecrackers, cherry bombs, and rockets mounted on a stick or wire, including any other Class "C" fireworks not approved by the State of Utah.

To report fireworks violations, please contact law enforcement at 435-259-8115.

NO OPEN BURNING WITHIN CITY LIMITS

Open burning of yard waste and any other debris is ALWAYS prohibited in City limits.

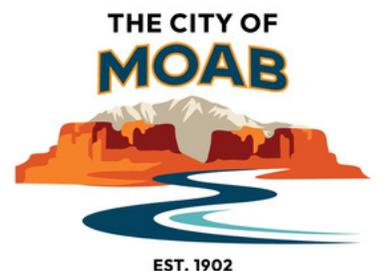

Visit utahfireinfo.gov for information about statewide fire restrictions.

JULY 4 COMMUNITY FIREWORKS

will be showcased from the Sand Flats area at dark

PLEASE CELEBRATE RESPONSIBLY
